

Nancy Rivera
(Spanish instructor)

Nancy is originally from the beautiful city of Oaxaca, Mexico. She moved to sunny Los Angeles when she was 15 years old and graduated from Belmont High School in 2007.

Nancy's passion has always been teaching. She has two certificates- Basic Core Early Childhood Education & Advanced Core Early Childhood Education from UCLA, where she graduated from in 2019. While she was a student, she began working as a lead teacher at Le Petit Gan, a local preschool. She is now working as a Spanish instructor in Citizens of World Charter School Silver Lake.

Nancy loves to play video games and boardgames with her two beautiful children. One of her passions is making desserts with her children. She runs a Spanish Culture Club, in which she teaches her students a bit of different cultures, Spanish speaking countries and while learning students learn recipes of those cultural dishes.

Nancy is a devoted teacher. She loves prepping for her classes. She often gathers ideas for her classroom and watches videos that inspire her to come up with creative ideas for her classes. Nancy believes that forming a bond with her students is vital and she loves seeing the world through her students' eyes. What she loves most about teaching is having a positive impact in her students' lives.
